

Women!

It's our time to talk about sexuality

Workshop presented by the
BC CHIWOS Team

Positive Gathering Conference
Sunday March 30th 2014
Coast Plaza Hotel, Comox Room

Étude sur la santé sexuelle et reproductive
des femmes vivant avec le VIH au Canada

Canadian HIV Women's Sexual and
Reproductive Health Cohort Study

Welcome

We would like to
acknowledge
that we have gathered
together on the
TRADITIONAL
UNCEDED TERRITORY
OF THE
CEDAR COAST SALISH
PEOPLE

Acknowledgements

- Thank you to all the women living with HIV who have been involved in the study
- Thank you to the co-PIs, provincial coordinators, PRAs, and entire national research team
- Thank you to the Steering Committee members, Community Advisory Board (CAB) members, CAAB-PAW members, and all the co-investigators, collaborators, and community partners
- Thank you to our affiliated studies: REACH, CANOC & OSC
- Thank you to our funders: CIHR (Institute of Gender and Health) and the CTN

Trivia: Test your knowledge!

Étude sur la santé sexuelle et reproductive
des femmes vivant avec le VIH au Canada

Canadian HIV Women's Sexual and
Reproductive Health Cohort Study

How many
people living
with HIV
globally are
WOMEN?

1/2

**Globally,
women account
for half (17.7 million)
of all people living
with HIV**

**How many
people living
with HIV**

**globally are
WOMEN?**

How many
WOMEN
are living
with HIV in
Canada?

- 
- a. 25,500
 - b. 16,600
 - c. 10,300
 - d. 12,400

How many
WOMEN
are living
with HIV in
Canada?

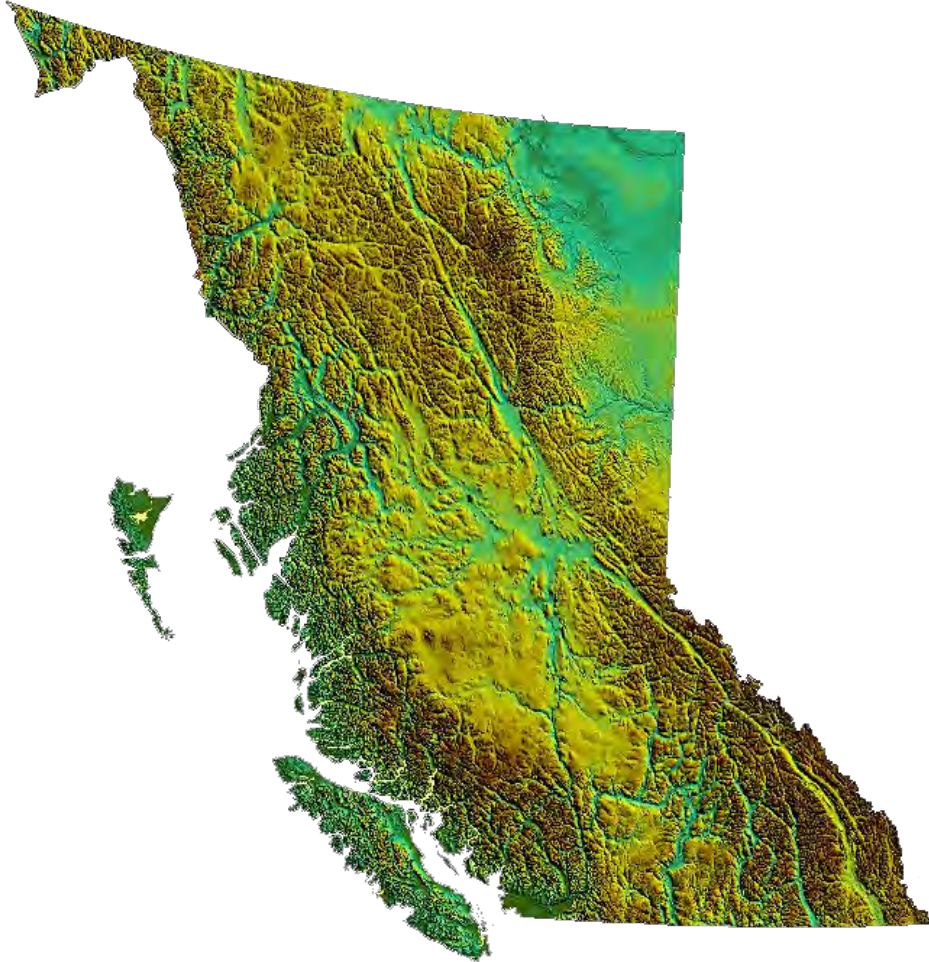

a. 25,500

b. 16,600

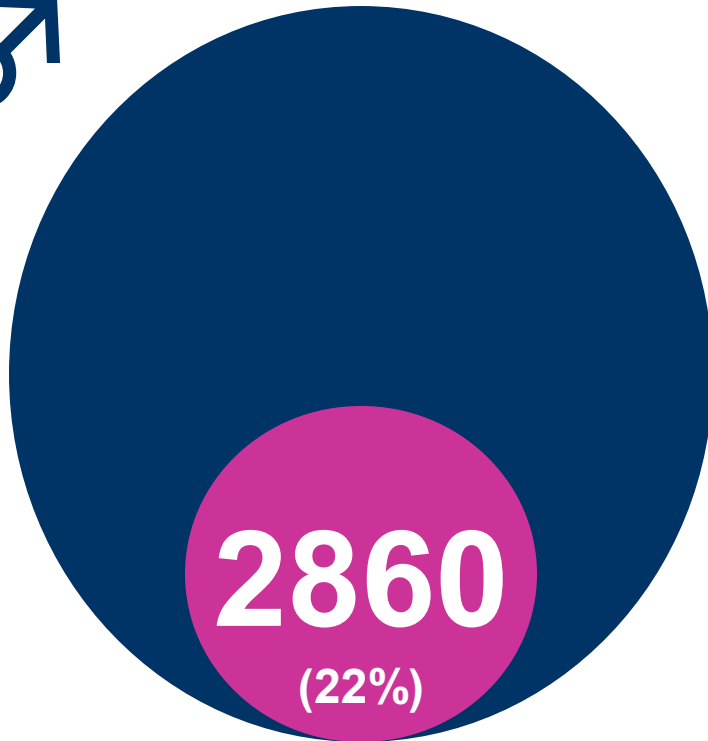

c. 10,300

d. 12,400

In Canada,
there are 16,600
women living with HIV,
representing about
one-quarter of all
people living with HIV

How many
WOMEN
are living
with HIV in
B.C.?

**In 2011,
about 13,000 people
in B.C. were living
with HIV, of which
